- Wellness Orientations for new students
- Classroom Presentations on Birth Control; Consent & Confidentiality; Eating Disorders & Body Image; Marijuana; and Transgender Awareness
- Staff Professional Development on Restorative Practices

Top Five Types of Services by number of students served

"The Wellness staff helped me with solutions when I didn't know the answers to my problems. They listen to me and understand what I am talking about."

- Academy Student

Student Support Groups

Wellness organized 2 groups and clubs reaching 6 students, including:

- Girls Empowerment Group
- Youth Outreach Workers Program

Community Partners

Wellness collaborated with 1 community-based organization:

- Ohlhoff Recovery Programs

†These numbers combine statistics from both Ruth Asawa School of the Arts and the Academy of Arts & Sciences and represent both schools.

Chart data was obtained from the Contract Management System (CMS) managed by the San Francisco Department of Children, Youth and Their Families and CALPADS data from the California Department of Education at <http://dq.cde.ca.gov/dataquest>. The CALPADS and CMS information reflects data available during the 2013-14 school year.

In "The Top Five Types of Services" chart, Medical Services refers to services primarily provided by the school nurse. General Counseling refers to non-clinical counseling provided by non-licensed staff. Behavioral Health Counseling refers to clinical counseling services provided by a licensed or license-eligible counselor. Case Management refers to coordination of care to meet students' health needs. Sensitive Services refers to reproductive health services.

In the "Comparison of Student Demographics" chart, the "Other" race/ethnicity category may include the identities American Indian, Alaska Native, Native American, Pacific Islander, Middle Eastern, or Multiracial/Multiethnic.

Partnering to support student health and well-being.
