## PARTICIPANT DEMOGRAPHICS

- Demographic data on the racial/ethnic groups served are presented in Chart 2. Latino students made up 27% of the students served by the Wellness Program, African American students made up 24% of the students served and Filipino students made up 21% of the students served.
- The Wellness Program served more female than male students (Chart 3).

Chart 2: Comparison of Student Race/Ethnicity in School and Wellness Program Population

Chart 3: Comparison of Student Gender in School and Wellness Program Populations

Data for Charts 1, 2 and 3 was obtained from the Contract Management System (CMS) managed by the San Francisco Department of Children, Youth and Their Families and School Site Profiles from the San Francisco Unified School District at [www.sfusd.edu](http://www.sfusd.edu). The SFUSD and CMS information reflects data available during the 2010-11 school year. In Chart 1, Behavioral Health Counseling refers to clinical counseling services provided by a licensed or license-eligible counselor. Medical Services refers to services primarily provided by the School Nurse. General Counseling refers to non-clinical counseling provided by non-licensed staff.
