June Jordan Wellness Program SERVICE SUMMARY: 2010-11 SCHOOL YEAR

Total Number of Youth Served

202 [Non-Duplicated]

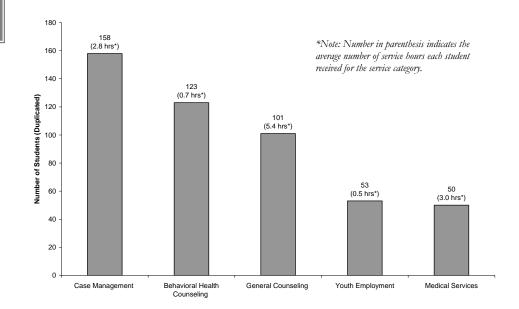

84% of 240 (the student population of June Jordan in 10-11)

Chart 1: Top Five Service Categories by Number of Students Served

Total Number of Service Hours Provided 1,328 (an average of 6.6 hours per student)

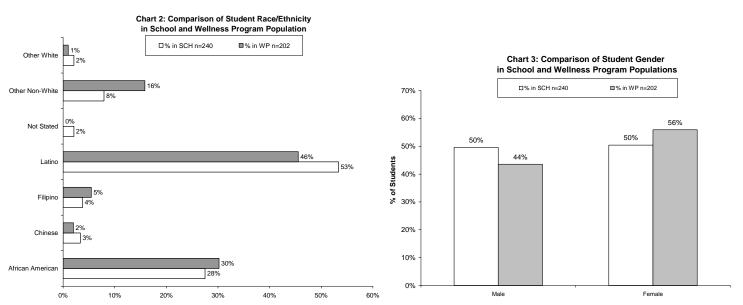

Types of Service

- The top three most accessed services were *case management* (78% of students served by the Wellness Program), *behavioral health counseling* (61%), and *general counseling* (50%). The top five service categories are shown in Chart 1.
- The most time intensive service provided was *general counseling*, where youth received an average of 5.4 hours of service.

PARTICIPANT DEMOGRAPHICS

- Demographic data on the racial/ethnic groups served are presented in Chart 2. Latino students made up 46% of the students served by the Wellness Program, African-American students made up 30% of the students served and Other Non-White students made up 16% of the students served.
- The Wellness Program served more female students than male students (Chart 3), which aligns with the overall student population at June Jordan.

Data for Charts 1, 2 and 3 was obtained from the Contract Management System (CMS) managed by the San Francisco Department of Children, Youth and Their Families and School Site Profiles from the San Francisco Unified School District at www.sfusd.edu. The SFUSD and CMS information reflects data available during the 2010-11 school year. In Chart 1, Medical Services refers to services primarily provided by the School Nurse. Behavioral Health Counseling refers to clinical counseling services provided by a licensed or license-eligible counselor. Youth Employment refers to assisting students in finding jobs. General Counseling refers to non-clinical counseling provided by non-licensed staff.
