Chart 3: Comparison of Student Gender in School and Wellness Program Populations

Data for Charts 1, 2 and 3 was obtained from the Contract Management System (CMS) managed by the San Francisco Department of Children, Youth and Their Families and School Site Profiles from the San Francisco Unified School District at www.sfusd.edu. The SFUSD and CMS information reflects data available during the 2011-12 school year. In Chart 1, Medical Services refers to services primarily provided by the School Nurse. General Counseling refers to non-clinical counseling provided by non-licensed staff. Behavioral Health Counseling refers to clinical counseling services provided by a licensed or license-eligible counselor.
